

Grants on Sherbrooke

Beverage Menu

Grants Picnic Ground is named after William Grant who built a guest house Grantulla in the early 1900's. He later built another guest house in the main street of Kallista and called it Arcadia. Bill Grant had a small kiosk at the picnic ground and used it to supply tourists with boiling water. The present kiosk was built in 1962. The picnic ground site was used as a camping area until 1960.
